

MONTHLY NEWS ~ ANNOUNCEMENTS ~ CALENDAR FOR OCTOBER

# YOU MAKE A DIFFERENCE

Our Card Ministry ladies have a special way of reaching out and letting others know they are remembered and cared for. They make every effort to stay in touch with those who are unable to attend church because of health concerns or other circumstances that keep them away from worship and fellowship.

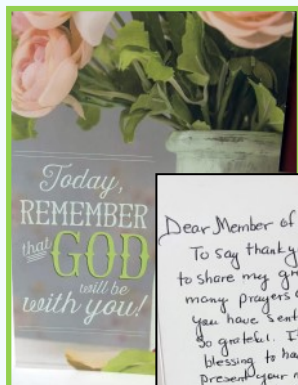

The ladies also collect signatures from class members for birthday cards sent to our 80+ members. Their ministry extends beyond our class as well, as they send birthday cards to our "Generations" students in the second-grade Bible class here at ABC.

A simple card can bring a smile, encouragement, and a reminder that someone cares. Receiving a "Thank You" card from those who receive these thoughtful greetings is a wonderful confirmation that their efforts are making a difference.

To my Lamplighters Family,  
I want to thank you all for remembering me. I appreciate the cards and that so many of you write to me. That is very nice. The David and Goliath card is my favorite so far. I'd like to be with you. I miss your smiling, shining faces. I have been struggling with all the maladies. I even got 2 new ones. I guess that old devil doesn't want me out and about doing the Lord's work. Well, sorry Lucifer, you don't get a say. God loves us. Oh, so deeply. Be blessed my best beloved. By your presence within these walls, you are blessed and blessing others. Be grateful for our bounty, for the love we share through our precious Lord, Jesus Christ.

Selah,  
Deb Woodward Musselli

Dear Member of lamplighters,  
To say thank you is not sufficient to share my gratitude for the many prayers and cards that you have sent to me. I am so grateful. It is truly a blessing to have Christians present your name to our God, and to know He hears us.  
Blessings to each of you,  
Betty C

The name of the Lord is a fortified tower;  
the righteous run to it and are safe.  
PROVERBS 18:10

All of you receiving this email have either called me, written beautiful cards, texts, emails. Some of you have lovingly waited my yard, driven me to my weekly doctor appointments, and to pick up curbside groceries. More importantly, you have been praying on my behalf. Because of your interest and vigilance, I want to tell you how your concerns and prayers are being answered. I am greatly humbled and grateful for my health status. I state, without reservation, that it is due to your powerful prayers. As you know, for the last 16 months, my oncologist has been trying different treatments for my rare Waldenstrom's Lymphoma. Wednesday of this week, she showed me that, although very slow, some of my important scores are declining. This is encouraging and a positive movement. Thursday, I saw the orthopedist regarding the break in my fibula on July 24th. I am healing well, free of wearing any kind of boot, and able to drive again after only a month. This happened in 4 weeks instead of 8 weeks as I was told originally. How could anyone doubt that this is another answer to your prayers? Thank you is not nearly enough to show my love and appreciation, but I hope you'll accept it in that light. Sincerely, Betty

**September 26, 2026**

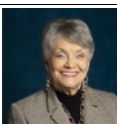

Jim's is a great diner to be enjoyed by classmates on a Saturday morning. Maybe you'll join us next month at another favored diner.

**Sun Mon Tue Wed Thu Fri Sat**

Class Members pictured here will be celebrating their 80th (Plus) Birthdays in the month of November! Be sure to Wish them a Special Happy birthday!

|    |                                                                                                                                                           |    |                                                                                                                                     |                                                                                                                                                   |                                                                                                                                                                         |             |                                                                                                       |                                                                                                                                        |                                                                                                       |                                                                                                           |                                                                                                                                         |                                                                                                         |
