# SOUTH TEXAS HEALTHY HOUSING QUINTANA FAM EDITION

Heroes Dental Build Penitas, TX

Volunteers provide the critical resources to make these homes possible. From foundation to paint, there are a myriad of construction related tasks that need to happen for a family to receive a home.

## QUINTANA FAMILY

**“Ever since I was in Mexico, I have always aspired to be a mechanic. Here in the states, well, I get to do a little bit of it but I am more of a handy man” said Oscar Quintana (40). “But what I really focus on is pushing my kids to get an education. I make sure they work hard. My son Oscar Alejandro (19) knows how to put shingles on roofs, he worked at a taqueria, makes chicken at Church’s Chicken, and plays soccer really well” said Oscar with great enthusiasm. Brenda Quintana (38), said, “when I got the call from Xylina, I jumped with joy and immediately called my husband and can honestly say I heard him jump with great joy! Then I called my son, and we were all happy and joyful for this opportunity.” Brenda added that she would like to find a job because they have a large family but decided to be a homemaker and help her husband with odd jobs so they can raise the family together. Both, Oscar and Brenda, expressed their large family is a blessing and this home will only make them better. Together they parent 8 boys and 2 girls. Boys: Oscar Alejandro Quintana (19), Rodrigo Quintana (16), Sebastian Quintana (15), Angel Quintana (14), Roberto Quintana (11), Diego Quintana (6), Leonardo Quintana (4) and Liam Quintana (1). Girls: Regina Quintana (10) and Miranda Quintana (5). For the past three years the family has lived in Peñitas trying to give their family the best opportunities possible.**

Be a part of the holistic and empowering activities  
happening on the ground in South Texas to strengthen  
families and share God's love.
